

Kindle Unlimited

MONTH:

Are you ready to figure out once and for all if Kindle Unlimited is right for you? Let's get started!

First, you need to **log into Amazon** and hover over the button that says "**Accounts & Lists**" then scroll down to **'your orders'**. Once you're directed to your order page, select **'digital orders.'** In the drop down menu on this page, select **'last 30 days'** and list the titles below, along with the price and if the book is in Kindle Unlimited.

Once you have the sheet filled out check your total spent on non-KU vs KU enrolled and you will know what's best for you.

Not satisfied with one month, try your last six months for a wider range.
